

# VOLUME-1

## A HANDBOOK ON MULTIDISCIPLINARY APPROACHES IN RESEARCH

Er. Sandeep Bishla is pursuing PhD in Electrical & Electronics Engineering (Faculty of Engineering & Technology) with Manav Rachna International Institute of Research and Studies (MRIIRS University), Faridabad (India). He is working on a sustainability research project and his research focuses on Artificial Intelligence with EV Vehicle & optimal charging through PV Solar Energy adjoining with Smart Grid. He received his Bachelor's (B.Tech) in EEE from Maharishi Dayanand University, Rohtak HR and his Master's (M.Tech) in EE-Power Systems from Hindu College of Engineering, Sonipat (Haryana, India) affiliated with DCRUST, Murthal Haryana, India. He is a Life Member

of ISTE -Indian Society of Technical Education, SEEM -Society of Energy Engineers & Managers, SPE -Society of Power Engineers, NCC- National Cadet Corps and a Student Member of NSPE -National Society of Professional Engineers, USA & a Student Member of IEEE including IEEE PES Society. He published Books in the field of Research, Engineering & Management. He grants patents based on Solar Power Monitoring & Solar Designed Equipment. He published more than 6 research papers on SCOPUS, IEEE Explore and reputed International & National journals / Conferences on the Topic of Artificial Intelligence using DC Motor performance, Power Factor Correction and Electrical vehicles. He is also on the panel with some reputed institutes as Guest Lecture Faculty for conducting Technical and Professional Classes including taking the project with practical viva as external faculty. He has 24 Years of rich experience in the field of Electrical Engineering field in R&D -Research & Development with Designing, Execution, Installation & commissioning of LV/MV Electrical Switchboards with reputed institutions and organizations.

**Prof. Sahab Ram Kumawat** Principal & Professor He obtained his Master of Philosophy in Education in 2009, his Doctorate of Philosophy in Education from the Institute of Advanced Studies in Education, GVM Sardarshahar, and his Master of Education, M.A. in English, Political Science, Economics, Rajasthani, and Hindi. He also passed the NET in Education in December 2010. He has earned a Certificate in Computing and a Diploma in Educational Psychology. He has completed a number of short-term courses in statistics and research methodology. He is well-versed in Excel, SPSS, AMOS, and Smart PLS. More than 200 national and international

conferences, seminars, and workshops were held in India that he addressed. He has travelled to several nations and has spoken at conferences throughout the world. In UGC Care Journals, Referred Journals, SCI & Scopus, Prof. Kumawat has published a few book chapters, book chapters with ISBN numbers, and research papers. Additionally, he has given speeches, Extension lectures, served as the chief guest and judge for numerous events in India. He has led several seminars, workshops, and hands-on training programmes both online and offline to help Ph.D. scholars and teachers strengthen their research skills. He has been teaching and supervising research for ten years. He has mentored Postgraduate and doctoral students. Prof. Kumawat is a motivational speaker who specialises in organisational behaviour, emotional intelligence, and leadership development. He is a fluent Hindi and English speaker. He belongs to the World Educational Research Association, the Global Education Research Association, and the All-India Professor Association. He serves on a number of university committees, including the Academic Council, IQAC, and the Board of Studies.
